GOALS & OBJECTIVES:

As a visual communicator/ graphic designer my objective is to become an essential member of an ambitious design team. With my creativity and talent my goal is to become an asset for the team by producing smart, eye-catching designs.

CAPABILITIES:

I received my degree in 2005 from the Herron School of Art & Design/ IUPUI, majoring in Visual Communication. From October of 2005 to May of 2007 I worked as a lead web designer at Visual Edge Design in Clearwater, Florida. I am currently working as a freelance web and print designer. I have extensive experience working with clients and managing multiple projects at once.

I am proficient in the use of Adobe Illustrator, Photoshop, and InDesign, Dreamweaver and Fireworks 2004 and 8, and Microsoft Word and Excel. I have experience using both MAC and PC platforms. I also have limited experience using programs such as Flash, Adobe After Effects, and Powerpoint.

EDUCATION: 2001 - 2005 Herron School of Art & Design/ IUPUI

Indianapolis, Indiana
Degree: Bachelor of Fine Arts
Graduation Date: June 30th, 2005

EXPERIENCE: 2004 Moore Langen Printing Company/ Capabilities Brochure

Responsible for the re-design of the printing company's capabilities brochure, press checks when necessary, and organizing client meetings.

2004 Seek/ AIGA Student Design Conference

Chicago, Illinois

2005 Indiana Coalition on Housing and Homeless Issues (ICHHI)

I was responsible for the re-design of the non-profit organization's logo, applying the re-designed logo to stationary, and designing a tabletop exhibit. For this project I was assigned project manager. I was responsible for all project decisions, I was the individual contacted by the clients with questions or requests, and I was responsible for assigning tasks to my team.

2005 - 2007 Visual Edge Design/ Lead Designer

As a lead designer in a web design firm, I held the following responsibilities:

- Successfully designed over 50 websites.
- Successfully designed company logos/ identities for a number of clients.
- Worked with corporate and small business owners and helped with the marketing of their websites.
- Specialized in the design process of custom, lead generational and sales websites and ensured that quality designs and services were being delivered to the clients.
- Managed and guided other designers and successfully collaborated with the firms' web developers.

2007 - Present GreatCircle Studios/ Freelance Web Designer

As a freelance web designer for GreatCircle Studios, I hold the following responsibilities:

- Successfully design a number of websites.
- Work with corporate and small business owners and help with the marketing of their websites.
- Specialize in the design process of custom, lead generational and sales websites and ensure that quality designs and services are being delivered to the clients.
- Successfully collaborate with the firms' web designers and developers.
